Upon the recommendation of the University Research Council in its October 2018 regular session, I approved the amended items of the Madigan Award Guidelines during the 7<sup>th</sup> January 2019 President's Council Regular Meeting. The revised guidelines will be effective School Year 2019-2020.

The Madigan Award is designed to support and encourage the research and publication of Regular Full-Time Tertiary Faculty Members, which is essential for Xavier University to fulfill the CHED mandate: "Universities contribute to nation building by providing highly specialized educational experiences to train experts in the various technical and disciplinal areas and by emphasizing the development of new knowledge and skills through research and development" (CMO 46 s 2012, Sec 23.3).
